## To whom it may concern,

**A.C.E. Marketing**, 1 bis avenue du 8 mai 1945, 78284 Guyancourt, France, wishes hereby to confirm that - is an authorized Agent in Estonia of the **AIRWELL** units manufactured and imported from **A.C.E. Marketing** since 1997.

This company has been properly trained and has all necessary facilities concerning the following :

- To offer proper selection of technical solutions in accordance with the units application
- To install the above mentioned units
- To complete all necessary checks regarding the performances of the units after installations
- To offer warranty service as well as general after sales service and maintenance of the installed units

We guarantee to provide all required spare parts for warranty and maintenance purposes regarding any of our units in the limit of ten years after stopping the production of any models.

**Istrol OÜ** will offer installation and service for all the products of the **AIRWELL** range through its central offices and various branches and representative offices. **Istrol OÜ** has also the right and our authorization to select Sub-Dealers in Estonia under the name of **AIRWELL** in the area above mentioned.

Yours Sincerely,

Gregor Convenant  
Area Sales Manager
